

BONESHIELD® WAXED ROLLS & SHEETS

Boneshield® wax impregnated polypropylene wrap offers exceptional protection against sharp bones penetrating the vacuum/shrink bag. Eliminating leakers to less than 1%, Boneshield® increases the shelf-life of bone-in meat products and ensures maximum freshness even when using lost-cost vacuum/shrink bags. Protect your products and brand reputation with Boneshield®.

- ✓ Food-Safe & HACCP Certified.
- ✓ Reduces bone-in-meat packaging costs by up to 45%.
- ✓ Reduces leakers to less than 1%.
- ✓ Increases shelf-life & maintains product freshness.
- ✓ Strong & flexible.
- ✓ Exceptional presentation with tight shrink & thinner bag.
- ✓ Easy to apply. Clings easily to meat product.
- ✓ Made in Australia.
